**RITF Mission Statement:**

To transform Wisconsin mental health and substance abuse services to embody recovery, hope, dignity and empowerment throughout the lifespan, in partnership with the Department of Health Services, Division of Mental Health and Substance Abuse Services, and Bureau of Prevention Treatment and Recovery

**RITF Vision Statement:**

Mental Health and Substance Abuse consumers of all ages and cultures in Wisconsin are thriving under the principals of recovery in all aspects of life. Mental Health and Substance Abuse services throughout the state incorporate recovery focused principals such that all consumers can move into recovery.

**Recovery Education Committee Vision:**

People lead their own recoveries and actively participate in all chosen aspects of their lives and communities.

**Recovery Education Committee Mission:**

To educate in order to increase understanding of recovery.

**Dual Recovery Committee Mission:**

To expand the implementation of effective practices, grounded in the principles of recovery, that support people living with mental health, substance use, and associated ongoing healthcare conditions.
