Minutes of 071516 to be reviewed

HCI Minutes of 071516 reviewed and approved.

Update on Aurora Hospital:

Bob F.- reports that there has been no response from Aurora. The HCI Committee will move on to other hospital options.

Other Hospitals Options

Ministry Door County

Gunderson La Crosse

Maria H.: reports that Ministry Door County is receptive and wanting to partner with us. Maria spoke with Barb Johnson-Giese who will pursue the discussion further with her CEO and decision makers. This is ideal for a couple of reasons. Ministry has BH integrated into their system, they are aware that the goal is to have a CPS in their ER dept. or on staff and Door County CCS has already had 101 Training in Recovery, TIC, & PCP. Maria will offer to set up a meeting with her and Bob. Currently, there is only 1 CPS in Door County and he is employed. There is no response back from Gunderson at this time.

Michael Conwill: Will continue to reach out for interest in his EC area i.e.: Mayo.

Audit Tool:

Team discussion: We will need an audit tool to measure outcomes of this project. Maria will find out what Ministry is currently using for audits and surveys. What we would like to see is:

Decrease In: hospital stays, readmits, shorter stays, staff burnout (ProQol)

Increase In: satisfaction(consumer & providers), self- care skills (consumer & providers), community relations, attrition,

Legislative Issues

Bob reports that on the RITF Web Site, there is a link to a short summary of the Murphy vs. Senate Bills.

:Updates:

Bob: provided an update on his research of CPS programs in other states compared to WI. WI has the most advanced, researched, and vetted CPS program. There is a new letter from MHA as to why and who is doing the national cert. for CPS.

Scott: TIC Training around the state continues.

Michael: reaching out to MAYO re: CPS option

Erica: Trempealeau Co. is opening a new in patient facility with increased community integration.

Maria: MMHI is starting a new Consumer Leadership program, Consumer Conference is in August 2017-Karen Lane will be the key note!, PCP Training at MMHI continues.

Wendy: has joined the TIC Community Advisory Council. There is a TIC Summit at American Family on November 18, 2016.

Donna: There is a Trauma Sensitive Communication Presentation on November 17, 2016 on the Wisconsin Public Psychiatry Network Teleconference (WPPNT) . Sam Ahrens and Donna to co-present. The link to sign up for WPPNT teleconferences will be posted on the RITF web site.

Next Meeting : November 18, 2016
