Program Review & QA- Chris and Danielle are not here today. Debriefed the diversity discussion. Worked on committee structure. Further discussed the PSR rule re-write project. It's early

Maria will get more information on this. They are also looking at ongoing ed opportunities for both CPSs & employers. Thinking about accessible training design. A brief discussion ensued regarding online and other training opportunities happening across the country that can be accessed.

Meeting Recap: We welcomed Scott Webb, Trauma-Informed Care Coordinator. He and Joann Stephens presented on TIC. Please see power point for more information.
