Discussion about co-chair expectations

The co-chair expectations will be reviewed by the membership committee.

Recruitment- everyone's business. Please use the website and RITF pamphlets. Membership meetings are the second Friday of every month.

Members Honored

Hopeline discussion. What do we want from the letter? We need to know more about what we are asking for, how much are we asking for?

Table the discussion until November, will look at re-wording the letter to be consistent with what we have done in the past- motion carried.

Committee Reports-

Membership Applications- several people have visited and are requesting applications

Peer Specialist Committee-

Letter to employers, will be addressed at the November meeting

Health Care Integration- Update on Aurora Hospital, they have not responded to multiple requests, Door County Ministry Hospital is interested and has some initial trainings. How data will be collected and measured will need to be investigated. Gunderson Lutheran is another option.

Legislative issues- Health Care Integration recommend that individuals review material on the Murphy Bill, the link on the agenda is one option for information.

Michael Conwill attended as a visitor, interested in joining the RITF.

Julie Feilbach- Recommended the letter move forward with the language to now read: I will also not enter into dual relationships or commitments that may conflict with the interests of the peer.

Second by Anneke Brainerd. Bob Frederick's abstained motion passed.

Dual Recovery/ Recovery Education-

Strategic Planning was re-addressed with Kenya Bright-

Top Four Goals:

1. Get more young people (teen – 30) involved in the discussion about recovery (MH and SU)
2. Implement high fidelity substance abuse (SA) & MH programs/services across WI
3. Promote a hope-focused, trauma-informed, recovery-based model for SA & MH programs/services across WI
4. Promote recovery through strengths-based language, person-centered everything

Next meeting will be strategic planning part 2 with Kenya . Julie Fielbach is the active co-chair; more members are needed. Julie was the participant in the self-advocacy workshop at the CCS meeting, her participation was appreciated.

Legislative Issues- Link on the agenda discussed, progress on legislative issues discussed such as the Murphy Bill

Next Agenda Items- Hopeline Letter, Conference reports, Diversity videos, Update on the CPS trainer process

General comments and feedback- A lot different than it was a year ago, a lot to learn. Some issues were discussed too long and should have been tabled, much is moving forward. Good Flow, things are moving forward, there is good support for each other
